Welcome

TO THE 39TH ANNUAL PELHAM ART FESTIVAL

Dear Friends, Artists, and Supporters,
Welcome to the 39th Annual Pelham Art Festival! On behalf of the organizing committee, we're so glad you're here.

For nearly four decades, this festival has celebrated creativity, community, and the exceptional talent of our artists. Year after year, we're inspired by the artists who share their work and the visitors whose enthusiasm makes this event so special.

We're also proud of the festival's impact beyond the gallery walls. Thanks to your support, nearly \$600,000 has been raised for our local library, student scholarships, and community art initiatives, helping nurture creativity throughout our region.

This year's festival features an exciting blend of emerging and established artists in a wide range of mediums. Whether this is your first visit or your 39th, we invite you to explore, connect, and be inspired.

Thanks to our dedicated volunteers, generous sponsors, and supportive community partners. This festival would not be possible without you.

Enjoy the show, we hope you leave with beautiful art and lasting memories.

Most sincerely,
Tammy van den Brink
Chairperson, the Committee
